LAMINATE

4962-38 GESSO TRACERY
7975K-12 RAW CHESTNUT

Wilsonart® Laminate. When design matters as much as performance.

As a world-leading producer of decorative surfacing products, Wilsonart delivers a wide range of innovative laminate solutions and related services. With products designed to expand your inspirational horizons, Wilsonart Laminate meets your special needs and exceeds the expectations of your most demanding clients.

Our Sustainability Journey

For more than 50 years, being a responsible member of the global community has been woven into all aspects of our company culture. As our manufacturing and distribution networks have expanded worldwide, our impact on the environment has become an increasingly important concern for everyone at Wilsonart.

Several years ago, Wilsonart took the lead to reshape the supply chain for our paper source, which makes up 70% of our High Pressure Laminate (HPL) product lines. Our technical department worked with suppliers to ensure all source materials such as kraft, pulp, and decorative paper met stringent FSC certification requirements. At the onset of the project, no company in the industry had undertaken this endeavor. Wilsonart was the first North American laminate manufacturer to achieve Forest Stewardship Council® Chain of Custody Certification, providing thousands of SKUs of FSC® Mix Credit Certified HPL.

Our sustainability efforts incorporate not only our impact on the environment, but also our long-term commitment to providing high quality products, reliable services, secure jobs, and strong community support. This “full circle” journey will take many forms. Our goals are as follows:

Zero Waste: Eliminate unnecessary materials, processes, and waste from the products we make and sell.

Zero Impact: Lead the industry in development and use of environmentally responsible materials.

Zero Barriers: Create an environment of excellence that fosters individual growth and engagement in community and industry development.

Products

At Wilsonart, we continuously strive to improve our products and processes while ensuring minimal impact on the world around us. 33% of fiber used to make Wilsonart Laminate comes from recycled sources. The recycled content in Wilsonart Laminate is certified by SCS Global Services. (See third-party certificates online.) Our laminates are also UL GREENGUARD Gold Certified for low chemical emissions, which can assist you in earning LEED® certification. All standard Wilsonart Laminates are available on request as FSC Mix Credit, SCS-COC-002415. Wilsonart is proud to be the first adhesive manufacturer to have their low-emitting PVA and woodworking adhesives recognized by UL's GREENGUARD Certification Program for indoor air quality.

Processes

We strive to ensure our manufacturing and distribution processes leave minimal impact on the environment. Our sustainability programs include energy management, waste management, eco-friendly product transportation, and raw materials partnerships with suppliers who are equally committed to sustainable business practices. Visit Wilsonart.com/sustainability to learn more.

To contact our Contract Specialists, visit Wilsonart.com or call our Customer Service Smartline at 1-800-433-3222.

Wilsonart makes a laminate surface for every need. Made to endure everything from chemical spills to fire damage, Wilsonart® Specialty Laminates are uniquely suited to handle the challenges of performance interiors. See below or visit Wilsonart.com/specialty to see all of our hard-working design options.

CHEMSURF® CHEMICAL-RESISTANCE

Specifically designed for environments where chemicals and harsh cleaners are used, Wilsonart® Chemsurf® provides exceptional chemical resistance without sacrificing design or style.

COMPACT

Available in thicknesses from 1/10" to 1", Wilsonart® Compact Laminate is a durable solution for high-impact surfaces such as lockers and cabinets, elevator cabs, and toilet partitions.

FIRE-RATED

This long-lasting, beautiful laminate meets or exceeds the fire codes from a variety of laboratories across the country and comes in a wide range of patterns and colors.

CHALKBOARD

Wilsonart® Chalkboard is the perfect solution for any space or application that demands a durable and affordable writing surface, and unlike other chalkboard surfaces, it requires no special maintenance.

HIGH WEAR

Low-cost and built to take the extra wear that comes with high traffic commercial projects, Wilsonart® High Wear Laminate boasts more than five times the industry standard for abrasion resistance.

MARKER BOARD

The ideal laminate writing surface for classrooms, business and administrative offices, message centers, athletic facilities, or as a menu board.

CUSTOM LAMINATE

For a laminate solution that's uniquely yours, sometimes you have to get creative. You provide the idea, and leave the rest to us. Or, browse the custom-printed "INDIE" portfolio for your next project.

LOW PRESSURE

For a coordinated option on value-engineered projects use Wilsonart® Laminate designs on matching Low Pressure Panels.

RE-COVER™

RE-COVER™ combines vertical grade laminate and adhesive to create an alternative time – and money – saving option to standard High Pressure Laminate (HPL) installation and fabrication.

SOLICOR™

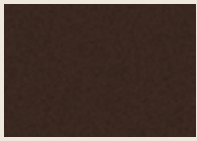

Wilsonart® Solicor™ is a specialty laminate created with a solid color core – eliminating the troublesome "brown line" of traditional laminates.

All Wilsonart Laminates are suitable for use in commercial and residential settings.

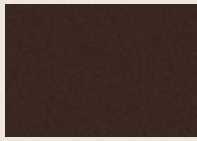

To learn more about the countless design opportunities available through Wilsonart Laminate, visit Wilsonart.com. For your convenience, most Wilsonart designs featured here are in stock and ready for immediate delivery from our distribution center. Sizes and finishes may vary. Call your Wilsonart Distributor for availability. WILSONART® is a trademark of Wilsonart LLC registered in the United States and other countries. HIGH DEFINITION, HD, and AEON are also trademarks of Wilsonart LLC.

Designed specifically to meet the decor needs of commercial projects, this collection features colorways, finishes, and patterns that coordinate easily with the other materials you specify. All Premium Laminate designs also feature AEON™ Enhanced Performance Technology, which has been proven to dramatically outperform traditional laminate for wear and scuff resistance.

EDGEBAND

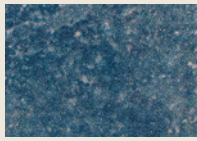

Offering a smoother finish and higher heat resistance, Wilsonart® Edgeband is a cost-effective edge solution for all your commercial projects and offers many benefits over traditional PVC and HPL strip edging. Available to complement most Wilsonart Laminate designs.

Inspired by today's popular granite, marble and quartz looks, these designs are richly dimensional, realistically textured and intrinsically practical. And like all Wilsonart Laminates, they meet or exceed the industry standards for both residential and commercial use.

Wilsonart® HD® High Definition® Laminate, Type 376, is available in 59 designs. It has an optical dimensionality plus increased wear resistance and is postformable. Wilsonart HD is intended for residential applications and many commercial applications including countertops, work surfaces, checkout counters, and tabletops.

Wilsonart HD designs are priced higher than standard and premium laminates. Not all designs are shown at 100% scale. Colors shown are printed reproductions. For maximum fidelity, please request product samples. Optional finishes may be available by special order. Call your distributor for details.
